### Composition:

Laces: 57% Cupro 43% Nylon

Stretch ruffles: 54% Cupro 44% Nylon 2% Polyurethane

### Attention

1. Detergents, sweat or cosmetics might cause discoloration or staining
2. For washing, use neutral detergent which does not contain caustic soda or bleaching agents.
3. Avoid high temperature, humidity and direct sun or electrical light when metallic laces are stored.
4. Please conduct hot iron, steaming or pressing tests before ordering for bulk production.
5. Please conduct shrinkage and sewing testing to avoid sewing errors and seam puckering before ordering for bulk production.
6. Laces are loosely wound by cardboard instead of bobbins to keep original shape for shipping and storage.
